

# Self - Control

Calm down  
and breathe  
deeply.

**STOP**

Consider  
everyone's  
feelings.

What is the  
problem?  
What are your  
options?

**THINK**

What are the  
consequences  
of your  
actions?

Make your  
choice.

**CHOOSE**

Talk to  
someone you  
trust for  
support.
